Doing goes where you go

We're committed to this dream.
Doing what it takes.
Doing the good better. Doing the better best.
Doing the awe-inspiring.
We know, as **MTN**, we will keep doing it.
We know South Africa will keep doing it.
And we know the Bokke will do it.
Because we have more riding on it.
We've worked harder. We've overcome more.
And we've done it before.
Because it's just who we are. We're a nation of doers.
Because we're just built different. We go all in.
We believe in miracles, and the power they
have to inspire and change our world.
Because it's risky. Because it's not just about how it ends.
Because we promise to do whatever it takes
on the journey there.
So the question is, are you doing what it takes?

What are we doing today?
