Six simple steps for your fibre installation

1. Check your coverage

Check to see if you have fibre coverage at <https://fibre.mtn.co.za> or visit your nearest MTN store.

2. Application process

Complete the application process and select your desired package. An MTN Fibre Agent will contact you to confirm details and schedule an installation appointment.

3. Fibre installation

A Fibre Network Operator (FNO) technician will contact you to install and activate your fibre box (ONT) and fibre line in your home.

4. Home router set-up

Once the fibre line is installed, a free-to-use router will be delivered to your home address.

5. You are connected

Sit back and enjoy your fibre connection. Stream, browse and play with MTN Fibre.
