Connection worth celebrating

This Valentine's Month, it's the moments of connection that matter most. From swiping and scrolling to sharing the love, staying in touch has never felt more important, and we've got plenty of deals to make it easy.

Special connections are being shared by over 300 million MTN customers across Africa. We're celebrating this milestone by rewarding 300 customers with FREE connectivity for a year. Find out more on page 39.

So don't wait, explore our best offers, choose what suits you best, and enjoy staying in touch the MTN way.

What is an eSIM?

An eSIM is an embedded or electronic SIM card built into smartphones, tablets and wearable devices. With an eSIM in your smartphone, you can link multiple profiles to a single device. This means that you can have more than one number and switch between them.

Personalised upgrade deals: If you like the device, but need a personalised package specially created to suit **you**, then ask a consultant to make a **special plan**, just for **you**.

Check if you're due for an upgrade now.

***Fair Usage Policy applies.

Terms and Conditions apply. All new contract deals are subject to a once-off in-store SIM and connection fee of R150. **Shesh@ 5G:** The MTN Home Internet 5G promotion will be available until 06/05/2026. To qualify for the 5G promotion, the customer's permanent physical address must be within the fixed 5G coverage area, which can be checked on the MTN coverage map. The 5G bonus data (100GB or 300GB) will be loaded on the first of each month for a maximum period of 12 months, which will be depleted first and will not carry over. *5G speeds are based on a best-effort service. The 5G bonus data will only work within the 5G network coverage area and will be depleted (used) on the 5G network. Access and connectivity to the network through the router are limited to the customer's physical address and geographic location ("geolocked") provided during the coverage and capacity check. 5G home router available on a free-to-use basis, provided the customer remains active on the MTN Home Internet price plan. Price plan subscription fees apply. **A Fair Usage Policy (FUP) applies. **Fair Usage Policy Shesh@ 5G 200 and Shesh@ 5G 600:** After monthly data allocation, speeds reduce up to 2Mbps (20GB), then up to 1Mbps (10GB), then up to 512Kbps. For full Terms and Conditions on all products and promotions, see pg. 2 or visit mtn.co.za. E&OE.

Terms and Conditions apply. All new contract deals are subject to a once-off in-store SIM and connection fee of R150. **Shesh@ Capped:** The Shesh@ Capped price plans will be available from 20/06/2025 on a 24-month contract that is subject to credit vetting. Customers must check their physical address against the coverage map in order to ensure connectivity or ensure that the sales agent has their correct physical address when checking it against the coverage map. Connectivity to either the fixed 4G or fixed 5G network is dependent on the type of device used, as well as the type of network coverage available at the customer's physical address provided during the coverage and capacity checks. In order to access the service, an MTN-approved router must be used. If a non-MTN-approved router is used, the service will be unavailable. Access and connectivity to the network through the router is limited to the customer's physical address and geographic location ("geolocked") provided during the coverage and capacity check. Should a customer move outside of their registered physical address, the service will be unavailable until the customer makes use of their service in their registered physical address. The Shesh@ Capped price plans will include Anytime Data and Night Express data based on the price plan selected. The price plan and data bundles are a best-effort service and speeds may vary. Night Express data can only be used between 00:01 and 04:59. Customers will have the option to purchase Shesh@ data top-up bundles, which are only applicable to the Shesh@ Capped price plans. For full Terms and Conditions on all products and promotions, see pg. 2 or visit mtn.co.za E&OE.

Six simple steps for your fibre installation

- 1. Check your coverage**
Check to see if you have fibre coverage at <https://fibre.mtn.co.za> or visit your nearest MTN store.
- 2. Application process**
Complete the application process and select your desired package. An MTN Fibre Agent will contact you to confirm details and schedule an installation appointment.
- 3. Fibre installation**
A Fibre Network Operator (FNO) technician will contact you to install and activate your fibre box (ONT) and fibre line in your home.
- 4. Home router set-up**
Once the fibre line is installed, a free-to-use router will be delivered to your home address.
- 5. You are connected**
Sit back and enjoy your fibre connection. Stream, browse and play with MTN Fibre.
- 6. Service and Support**
Call 083 123 4273 or WhatsApp 083 385 7743 or log a support ticket on <https://fibre.mtn.co.za>

Visit fibre.mtn.co.za to see other speeds and prices available at your address. All deals include uncapped data and a free-to-use router.
