What's in store this November?

It's the month we've all been waiting for... MTN's **Black November** is here! From 7 NOV to 7 DEC, enjoy incredible deals that keep you connected, entertained, and ready for Dezemba.

Don't miss our **Black FriYAY SUPER SALE** from 24 NOV to 7 DEC. We're turning up the savings with our hottest limited-time offers!

And because summer's all about more, selected deals come with a **30GB FREE summer start-up bundle**. More data to play, post, and stay connected all season long!

So shop now, save big and celebrate all summer long with MTN.

What is an eSIM?

An eSIM is an embedded or electronic SIM card built into smartphones, tablets and wearable devices. With an eSIM in your smartphone, you can link multiple profiles to a single device. This means that you can have more than one number and switch between them.

Personalised upgrade deals: If you like the device, but need a personalised package specially created to suit **you**, then ask a consultant to make a **special plan**, just for **you**.

Check if you're due for an upgrade now.

It's the **season**

Welcome to the slam-your-laptop-shut, drop-your-pen,
don't-call-me-I'm-out-with-my-squad season!
Flip those sandals on, kick those feet up, and binge-watch
your favourite shows on repeat – it's that time of year.
The only reason we'll unmute is to share pins to the second
and third location.

Get ready for epic road trips, live streamed straight from
the city all the way to Gogo's house.

It's time to swap secret family recipes and capture
unforgettable moments.

Snap those selfies on the go or strike a pose by the pool.

Stay up late with video calls that last till sunrise.

It's time for hotspot girl summer – shorts on, braais out!

It's the season of bold summer moves.

Today we make moves

Keep your whole home connected seamlessly

Add a Wi-Fi mesh system, which works alongside your home internet to extend your signal.

Think of it as a team of mini routers placed around your home for wall-to-wall coverage.

Best network speeds, dependent on 5G/LTE connectivity.

Terms and Conditions apply. **Shesh@ Capped:** The Shesh@ Capped price plans will be available from 20/06/2025 on a 24-month contract that is subject to credit vetting. Customers must check their physical address against the coverage map in order to ensure connectivity or ensure that the sales agent has their correct physical address when checking it against the coverage map. Connectivity to either the fixed 4G or fixed 5G network is dependent on the type of device used, as well as the type of network coverage available at the customer's physical address provided during the coverage and capacity checks. In order to access the service, an MTN-approved router must be used. If a non-MTN-approved router is used, the service will be unavailable. Access and connectivity to the network through the router is limited to the customer's physical address and geographic location ("geolocked") provided during the coverage and capacity check. Should a customer move outside of their registered physical address, the service will be unavailable until the customer makes use of their service in their registered physical address. The Shesh@ Capped price plans will include Anytime Data and Night Express data based on the price plan selected. The price plan and data bundles are a best-effort service and speeds may vary. Night Express data can only be used between 00:01 and 04:59. Customers will have the option to purchase Shesh@ data top-up bundles, which are only applicable to the Shesh@ Capped price plans. For full Terms and Conditions on all products and promotions, see pg. 2 or visit mtn.co.za. E&OE.

Six simple steps for your fibre installation

- 1. Check your coverage**
Check to see if you have fibre coverage at <https://fibre.mtn.co.za> or visit your nearest MTN store.
- 2. Application process**
Complete the application process and select your desired package. An MTN Fibre Agent will contact you to confirm details and schedule an installation appointment.
- 3. Fibre installation**
A Fibre Network Operator (FNO) technician will contact you to install and activate your fibre box (ONT) and fibre line in your home.
- 4. Home router set-up**
Once the fibre line is installed, a free-to-use router will be delivered to your home address.
- 5. You are connected**
Sit back and enjoy your fibre connection. Stream, browse and play with MTN Fibre.
- 6. Service and Support**
Call 083 123 4273 or WhatsApp 083 385 7743
or log a support ticket on <https://fibre.mtn.co.za>

Visit fibre.mtn.co.za to see other speeds and prices available at your address. All deals include uncapped data and a free-to-use router.

MTN Fibre powered by Supersonic ISP Terms and Conditions apply. MTN SA is a reseller of Supersonic services, utilising the product and brand name "MTN" Fibre. Fibre line packages are dependent on the fibre network coverage available by fibre network operators. Fibre line packages are valid 07/11/2025 – 31/01/2026. "Best-effort service and speeds are up to the product speed advertised. The promotional price will be valid for the first 6 months, thereafter the "listed standard pricing will apply from month 7 onwards. Fibre services are provided on a month-to-month basis. Should you cancel your fibre service less than 12 months from activation, you will be charged a cancellation fee of R899. All prices include VAT. For full Terms and Conditions on all products and promotions, see pg. 2 or visit fibre.mtn.co.za. E&OE.
