Terms and Conditions apply. The Shesh@ Capped Hero Deal will be available 07/09/2025 – 06/11/2025. **Shesh@ Capped:** The Shesh@ Capped price plans will be available from 20/06/2025 on a 24-month contract that is subject to credit vetting. Customers must check their physical address against the coverage map in order to ensure connectivity, or ensure that the sales agent has their correct physical address when checking it against the coverage map. Connectivity to either the fixed 4G or fixed 5G network is dependent on the type of device used, as well as the type of network coverage available at the customer's physical address provided during the coverage and capacity checks. In order to access the service, an MTN-approved router must be used. If a non-MTN-approved router is used, the service will be unavailable. Access and connectivity to the network through the router is limited to the customer's physical address and geographic location ("geolocked") provided during the coverage and capacity check. Should a customer move outside of their registered physical address, the service will be unavailable until the customer makes use of their service in their registered physical address. The Shesh@ Capped price plans will include Anytime Data and Night Express data based on the price plan selected. The price plan and data bundles are a best-effort service and speeds may vary. Night Express data can only be used between 00:01 and 04:59. Customers will have the option to purchase Shesh@ data top-up bundles, which are only applicable to the Shesh@ Capped price plans. Six simple steps for your fibre installation

-  **1. Check your coverage**
Check to see if you have fibre coverage at <https://fibre.mtn.co.za> or visit your nearest MTN store.
-  **2. Application process**
Complete the application process and select your desired package. An MTN Fibre Agent will contact you to confirm details and schedule an installation appointment.
-  **3. Fibre installation**
A Fibre Network Operator (FNO) technician will contact you to install and activate your fibre box (ONT) and fibre line in your home.
-  **4. Home router set-up**
Once the fibre line is installed, a free-to-use router will be delivered to your home address.
-  **5. You are connected**
Sit back and enjoy your fibre connection. Stream, browse and play with MTN Fibre.
-  **6. Service and Support**
Call 083 123 4273 or WhatsApp 083 385 7743 or log a support ticket on <https://fibre.mtn.co.za>
